

Open Edible Gardens 2019

Saturday 7th and Sunday 8th September

www.kynetontransitionhub.com

Phone 0419 874 735

Food metres not kilometres when home-grown.

'That's the most I've ever learnt in a garden!'

'Loved learning about water saving and re-using materials.'

'Interesting garden designs that have good ideas.'

Open Edible Gardens 2019

Saturday 7th and Sunday 8th September

1 Kyneton Community Garden
Kyneton Secondary College, Epping Street
Set on old basketball court inside the school grounds. Permaculture principles using wicking beds, fruit trees, composting, chickens, water harvesting and green house. Compost tea and biochar demonstrations. Approach from Epping or Ferguson Streets. Car and bus parking available.
Open Saturday 10am-4pm
Ph 0476 645 305 Christine Wheelchair access.

2 Kyneton Edible Garden at rear of Kyneton Community House, 34 Mollison Street
Edible garden being developed to provide produce for Kyneton Community Lunch which feeds 50-70 people every week during school terms. Focus on edible leaves, herbs and flowers. Main garden at back and along drive. Donations support Kyneton Community Lunches. Street parking.
Open Saturday and Sunday 11am-3pm
Ph 03 5422 3433 Wheelchair access.

3 Our Lady of the Rosary Parish School
43-47 Edgecombe Street, Kyneton
